

COMPLETE SUPPORT

**A STRONG  
FOUNDATION  
TO BUILD YOUR  
BUSINESS ON**

**Become an Almita Installer**

No Franchise Fee. No Territorial Restrictions.

# COMPLETE SUPPORT

Whether you have a single rig or a small fleet – becoming an Almita Installer will help you expand your client base and grow your business.

Backed by our in-house engineering, design and fabrication support services, Almita allows you to take on complex projects normally reserved for full-service installers.

As an Almita Installer, you receive:

- Professional Installer Training
- Reliable inventory of CCMC certified piles
- In-house Engineer/ Geotechnical Support
- Inventory Locations Across Canada
- Custom Fabrication Service

Installer opportunities now available across British Columbia, Alberta, Saskatchewan, Manitoba, Ontario and Maritimes.
